THE POWER OF SOLIDARITY
can not be underestimated

TOGETHER
we can remove the common barrier

IT'S OUR SOLID BELIEF THAT COMMUNITY'S SOLIDARITY:

- Opens the door of knowing the value of other customs & traditions;
- Helps to exchange experience & work on innovation for a common good;
- Leads to progress & meaningful contribution to society.

Communities' Solidarity Initiative is a one-off project/event supported by the National Lottery. Let's together make it an annual occasion to attain a meaningful communal progress in community members in general and to help the young adults including those new arrivals to be positively part of the host society.
