

An opportunity to lead a nationally recognised organisation at the forefront of the devolution of public services to local communities.

White City is one of government's Neighbourhood Community Budget Pilot areas. The White City Enterprise (WCE) is a Charity that was established in 2013 by the community; to identify and run public services that have the potential of being delivered, more effectively, by the community.

You are an exceptional leader and will be rewarded for your efforts. Confident and capable of leading all aspects of WCE: business and service development, partnership building, finance, operations, and programme management. Key accountabilities include:

- Manage, coach and develop the growing team (11 staff)
- Lead the development of a multi-faceted business strategy
- Lead the service delivery of WCE's programme of activities
- Deliver the business strategy for sustained growth for WCE and run cost-effectively
- Ensure the highest standards of financial management,
- Act as ambassador for WCE including PR and client relationship building as the lead on new business opportunities

To receive an Application Pack, email Mary Hennessy (mary.hennessy@whitecityenterprise.co.uk).
