HF ArtsFest 2-10th June 2018

YOUR COMMUNITY, YOUR ARTISTS, YOUR FESTIVAL

Arts Council England Funding Success!

To celebrate its 5th year, H&F ArtsFest, will introduce a new strand called 'JOY'- a celebration of disability arts in the London Borough of Hammersmith & Fulham.

Working in partnership with Turtle Key Arts, HF ArtsFest will commission world-renowned Director, Wolfgang Stange to create a spectacular performance piece with disabled and able bodied artists, to be premiered at the Lyric Hammersmith during the HF ArtsFest 2-10th June 2018.

'We are very proud to have achieved support from the ACE for the first time which will increase our ability to develop and diversify the annual ArtsFest by embedding disability arts into its mainstream activities.'

Hammersmith United Charities and Dr Edwards & Bishop King's Fulham Charity will celebrate 400 years of giving by funding the HF ArtsFest to deliver projects for community groups working with professional artists to create and present a variety of arts activities during the Festival.

HF ArtFest eagerly awaits the results of funding applications to John Lyons Charity for projects in 6 SEN schools in the Borough, The Daisy Trust to support community projects in Fulham and the Westfield London Community Fund to support the HF ArtsFest Bus Project.
