

Safety Net - People First

SafetyNet-PeopleFirst

Safety Net - People First need someone to join our team.

We want to employ a **Self-Advocacy** Coordinator to work with us for one day (7 ½ hours) a week.

Self Advocacy - this is when people speak up for themselves.

Our organisation

Safety Net - People First is a Disabled People's Organisation. This means that Disabled people run and control it.

We work in Hammersmith and Fulham.

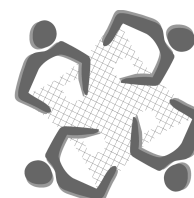

Our goals are:

1. **Access, Rights and Respect**

We stand up for the rights of people with learning disabilities - we want to change people's attitudes

and get Disabled people's voices heard and respected.

2. Choice and Control

We show others that people with learning disabilities are able to make their own choices.

3. Reducing Isolation

We want people with learning disabilities to be active in their community and have fun. This will break down isolation and make things safer and better for everyone.

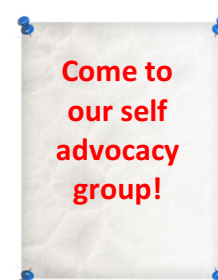

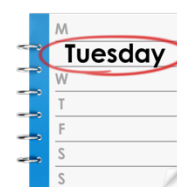

What the job is

The self-advocacy service supports people with a learning disability to speak up and have a say in our lives.

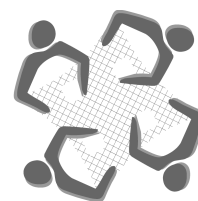

You will

- organise self-advocacy meetings, held every two weeks on a Tuesday
- support members to take part
- make accessible information
- make sure as many people know about the service as possible
- write reports to say how well we are doing
