

Start-up Business Workshop

**Start Up Business Work Shop presented by
Nick Howe, Enterprise Manager, NatWest**

Start Up Surgery (up to 60 mins)

It's easy to start a business but keeping it trading by offering what the market wants is the secret to staying trading.

Join us for this session which explores the good and the bad of being your own boss as well as what steps to take in order to launch a business to try to bring the risk of doing so right down.

Please pre-book a place by emailing
