

Hammersmith & Fulham CEO Forum

Date: Wednesday 4th March 2020
Time: 10am – 1.30pm
Location: Hammersmith

Developing our relationship with the London Borough of Hammersmith & Fulham

At the last CEO Forum in October, we looked at the council's report "Developing Our Relationship with the Voluntary & Community Sector".

This meeting/workshop will look at how we can take this forward – working together to identify our strengths, the challenges we face, and how the local voluntary and community sector can work collaboratively with LBHF to improve outcomes for local residents.

The workshop will be followed by a networking lunch.
