

comoodle

We believe in sharing...Do you?

As you may know, LBHF staff are able to volunteer locally for up to 2 days a year to support local organisations in Hammersmith & Fulham. At a recent staff event with the council, Sobus was promoting Comoodle as a vehicle for staff to offer their skills to local organisations – and a number of staff are keen to sign up!

From the first cohort of staff to be interested in “Comoodling” – the skills on offer include:

- Mentoring, and helping people gain and maintain employment
- Financial/money management
- Event planning
- IT skills including website design
- Environmental Health – food hygiene standards
- Occupational Health advice

- Reading and literacy support for children
- Interview skills and interview coaching
- Language skills – Hindi, Gujrati, Marathi, Urdu and Konkani
- Housing advice and information
- Hair and nails makeovers

If you think your organisation could benefit from these skills, please contact comoodle@sobus.org.uk. For more information about Comoodle or to register, please visit www.comoodle.com/h&f
