

B2B Quote - Live Interactive Webinar: Tender Writing Introduction

Benefits from attending:

- Increasing your knowledge of the procurement process
- To further understand the public procurement process
- Increase chances of success
- To develop efficient and effective bidding systems

Our Trainer:

An active Bid Manager who really understands the bidding environment and how it applies in practice; not just the theory. A vast amount of experience and expertise supporting a range of blue chip, SME and third sector clients with their bids.

Feedback from people who recently attended our training webinar:

"Superb training session learnt a lot of new ideas and this will help in securing future tenders.

"The course was very informative, and all areas were covered"

"It was a Step by step guide with good course content and I learned things I didn't know which will definitely help in the future"

"Trainer was brilliant and I have learnt a lot of good tips"

"A great training day. I can't imagine there are many people with more experience in tender writing"

"A must for anyone considering completing a Tender"
