

Shop & Donate sell fresh products from our sustainable UK farms and markets. By purchasing one of our products your contribution goes towards sending donations to key workers, food banks and vulnerable residents affected by COVID-19. We also provide other services such as telephone befriending and aftercare support for Covid-19 patients, which gives those leaving the hospital a food package for when they arrive home.

OUR STATS SO FAR:

3,064+ - Meals delivered to vulnerable people
