This strategy is the first of a kind for Hammersmith & Fulham and (we think) local authorities as a whole – it's been co-produced with Disabled residents! They have worked in partnership with councillors and senior members of the management team to develop a strategy that's ambitious and will meet the aspirations and priorities of Disabled residents across the borough.

The event will include:

- An Introduction & Welcome by Cllr Lisa Homan, Cabinet Member for Housing
- Key note speakers from local and national organisations
- More about the Strategy and its intended impact
- A Question & Answer session with members of the Co-production and senior management team

We have set up a group of residents to work with us on implementation of the Strategy. If you're interested in joining the group, please contact the Resident Involvement Team at Getinvolved@lbhf.gov.uk or **020 8753 6652**.
