

Together for Hammersmith & Fulham

## What Can We Do Together?

Community Connect is a new grassroots initiative in Hammersmith and Fulham, aiming to regularly connect local businesses, voluntary organisations, residents, the council, police, and anyone else who wants to better this borough.

Once a month we will meet to discover available services, discuss issues, find solutions, and generally, become a closer, more efficient, community.

## Why Join?

### Better Visibility

- Tell us about your services and learn about others
- Share any challenges and seek solutions

### Better Partnerships

- Better horizontal and vertical communication
- Clear referral pathways
- Ability to respond faster to emergencies
- Opportunities to form partnerships
