

The Childhood Trust is London's child poverty charity, dedicated to alleviating the impact of poverty on children and young people living in the capital.

## What we do

We offer grants to charities who participate in our match-funding campaigns, along with

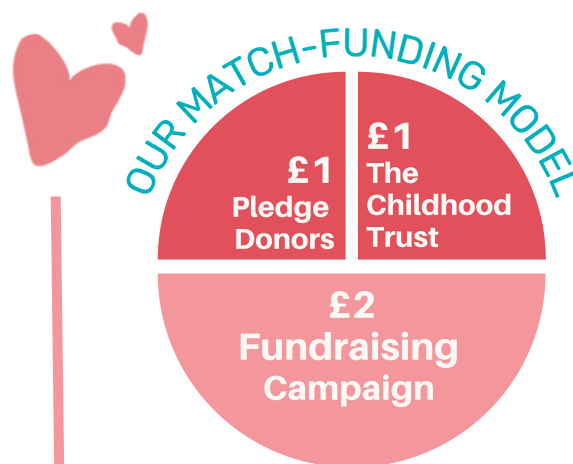

- Digital fundraising support
- A charity network
- Capacity building

## Who we fund

- Registered charities, with an annual income over £25,000.
- Charities who work with Children and Young People from London, experiencing poverty.
- Charities with at least one year of filed accounts.

## What we fund

Core costs and project costs.

## 2 Annual match funding campaigns
