Community CONNECT

Together for Hammersmith & Fulham

This Month:

Founded during the height of the pandemic, the Hammersmith and Fulham Violence Reduction Alliance (VRA) is a network for third sector organisations working in Serious Youth Violence to come together, share, collaborate and build relationships.

For the first time since formation, we are holding an in-person network meeting for our theme this quarter which is community. At this session, VRA members will have the opportunity to meet 'Community Connect' which is a network group set up in 2021 by People Arise Now.

People Arise Now is a local organisation who support offenders nearing the end of their sentence, ex-offenders, and struggling families who have members that are involved in or at risk of being impacted by crime. During the pandemic we created 'Community Connect' to increase the awareness of available services to local residents. Community Connect is held every month and is an opportunity for residents, local organisations, and other concerned parties to raise issues and discuss solutions.
