

# Become a mentor

The Kids Network supports children at a crucial time in their life, helping to improve their emotional development in the transitional period between primary and secondary school.

**As a mentor, through weekly 1-3 hour sessions, you would:**

- Help build confidence, resilience and curiosity through child centred, activity-based mentoring
- Experience London through the eyes of a child and make a real impact in your local area
- Build a peer network with fellow mentors, who come from all walks of life, to share your experiences and learn from each other.

**We are looking for diverse volunteers from all backgrounds to represent the children we support. Interested? Then step up and become a mentor with us today!**

**Sign up on our website: [thekidsnetwork.org.uk](http://thekidsnetwork.org.uk).**

**For more information contact us at [info@thekidsnetwork.org.uk](mailto:info@thekidsnetwork.org.uk) or 07533 098102.**
