Into Work

Education, training and employment support for people who are unemployed or in temporary, low paid and insecure work.

What? Into Work is for people 16+, out of work but wanting to work, or for those with a job but who are struggling.

Where? We work in Notting Dale, Colville, St Helens and Golborne. This includes the Lancaster West and Silchester Estates, and Henry Dickens Court.

How? We offer a client-centered service to inspire you to take steps towards employment or to better work.

This service can create new opportunities and raise new aspirations. We can increase confidence, and move forwards at your own pace to ultimately improve your situation.
