

How we can we work together to protect adults at risk of abuse and neglect?

What does the Safeguarding Adults Board do?

Want to join the discussion on how we safeguard adults in Hammersmith & Fulham?

Join the H&F Safeguarding Adults Board in this interactive session to find out more about what we do and share your views.

These sessions are aimed at **safeguarding leads and staff working in the voluntary and community sector** who are involved in identifying and responding to safeguarding concerns.

Attending will give you the opportunity to share your experiences of adult safeguarding practice and the key issues facing vulnerable adults in our borough, as well as the chance to be more involved in the work of the local Safeguarding Adults Board.
